Society

Miss Itzhak Elm entertained a number of her friends at her home on East Second street Tuesday evening with a masquerade party. A large crowd was present and all enjoyed themselves to a very late hour. Some of the costumes were well gotten up and showed the ingenuity of the wearers.

The reception held on the "Bucco-ner" Tuesday afternoon by Misses Louise Adair, Susan Thompson, Margaret Pogue, Dorothy Hockaday and Mr. Gordon Smeat was a very lovely affair. The boat was tastefully decorated. Delightful refreshments were served.

Mr. and Mrs. Jess Daniel of East-land held a reception at their home Tuesday evening in honor of Mr. and Mrs. Robert C. Long.

ALL-DAY RALLY

The Young People's and Junior Missionary societies of the Methodist Episcopal Church, South, in the Mayville District will hold an all-day rally in Beechwood Park on Thursday, June 22nd. The work of the Junior societies will be presented in the morning, beginning at 10 o'clock, and the Young People's work in the afternoon, beginning at 2 o'clock. Delegates from all the societies in the district will present different phases of the missionary work and a very instructive and inspiring program has been prepared.

The general public is cordially invited to attend these meetings while a special invitation has been extended to all the young people and children of Mayville and the surrounding counties.

Miss Anne Hughes of Forest avenue is spending a few days with relatives and friends at Marshall Station.

Miss Okay Davenport of Ashland, Ky., is spending a few days with friends in this city.

Phone 403 for Diener's Home-made Bread.

MASON COUNTY TURNPIKES

Mr. W. Holton Key Makes Interesting Statement Concerning County Roads After Making Inspection Tour—Large Number of Turnpikes in Bad Condition.

The writer of this article has always been interested in the public welfare of Mayville and Mason County and the continued going down of our turnpikes has become so increased that I do not feel as a public spirited citizen and as a taxpayer that same should go unnoticed by me as well as every taxpayer and citizen in Mason County. I, therefore, have taken it upon myself to go into the records to see what I can find pertaining to Mason County's turnpikes. I find no public record of the number of miles of Mason County's turnpikes system, and, I, therefore, set to work making a list of all the turnpikes in Mason County, and after putting down my ideas as to the length of each turnpike, I have commenced the measurement of every macadam road in the County, and in the various articles which I propose to give the public, I am going to report the condition of the roads as I measure same.

In June 5th, I took the Washington & Murphysville pike, leading from Washington to Needmore. This road for most of its length has a splendid bed-rock and for the most part of same this bed-rock is showing up, in other words, the rains have washed the macadam and exposed this bed-rock. The drainage on this pike is very poor the water running for a great deal of its whole length in the middle of the turnpike instead of in the gutters. There is quite a lot of rock being hauled to be applied to this road sometime this year. I would say, there is more work going on this road, this spring, than any three roads I have been over. There is being some ditching done but it is of a class that is expensive. There is 9 2-10 miles of this pike.

After leaving Washington & Murphysville pike, I proceeded over the Sardis & Mayville pike from Needmore. The first mile and one-half from Needmore has had some very good work during the last 18 months, but from the Absalom pike to the home of Alfred Reed, the road is getting in a horrible condition from the lack of work. Since 1912, there has been one string of rock, that I know of, put on this pike between the last named points, which is a distance or probably 1 1/2 miles. The water continues to run in the middle of this turnpike and, therefore, deprecating it much faster than it otherwise would. At the home of Ben Hawkins farm, there is a hole in the road 6 feet in diameter, that during the past winter became so bad that it was almost impossible for traffic to get by, this hole remains and probably one load of rock would fix it so that it would never again give trouble. There is one small bridge on this road between the Manley and Allison farms, that has been covered with 3 inches of dirt and mud for the last three years and cannot be seen if it were not for the ends of the bridge sticking out. At the bottom of each hill on this pike, which is rather a steep one, there are very large and deep mud holes which could be fixed for a very small amount of money. There is talk in this community, of the citizens giving enough of their time to haul rock to fix the worst parts of the road. There are three splendid concrete bridges that have been put in on this road in the last four years, thereby eliminating any more bridge troubles on this pike. This pike is 4 9-10 miles in length.

On June 12th, I took the Sardis road where it comes on to the Lexington pike, near Benjamin Longnecker's. This pike is in fairly good condition for the first 6-10 of a mile, to the Murphysville Precinct line, west of the first bridge. From that point to Needmore, this pike is the worst piece of road, I believe, in Mason County. The water runs down the center of the pike, there being no effort, whatever, to carry same off into the gutters. This pike needs more rock than any pike I have seen in the County, and unless something is done with it during the next four months, Mayville will be cut off from Robertson County during the next Tobacco Season, in Mayville, unless the Murphysville & Washington Turnpike holds up sufficiently to take care of the traffic. There is some rock being put on this road but it is such negligible quantity, that it will hardly do much good. There is only one piece of this road put in good condition, last year, from the home of John Malley to the gate-way of J. C. Jefferson's. According to last year's report, there was quite a sum of money put on this pike but the point of above is the only point between the Lexington pike and Needmore that show it. In some places, that the ditches have filled up so much in the last five years, that the earth is from 4 to 6 inches on top of the pike. At the junction of the dirt lane leading from Mayville through the Shannon neighborhood, it seems there has been a creek running down the middle of the pike and has washed away more macadam than \$100.00 can replace. There is only one bridge in this stretch of pike of 4 8-10 miles; that is in first class condition. I have been no further than Needmore on this pike. My report of the balance of it will appear in another issue.

Opposite Joe Manley's farm, I took the Absalom pike, which leads across to the Lexington pike. There are 2 2-10 miles of this and there are 4 bridges in that distance. There was \$79.60 spent on this road in 1915, most of which consist of rock hauled on the road which have never been knapped, and, consequently, remain on the side of the road. Parts of this road are so rough that it is almost impassable. The rains and the water running down the middle of the road have been the entire cause of the macadam getting off, as there has never been sufficient travel upon it to wear out any part of (Continued on Fourth page.)

CORPORAL TOM F. BARBOUR

Mrs. Mattie F. Barbour, of West Third street received a message Tuesday saying Corporal Tom F. Barbour of West Virginia's new and only Machine Gun Company was being mobilized ready for duty on the Mexican border. The Second Regiment of West Virginia National Guards of which Corporal Barbour's Company is a part will mobilize at Kanawha City, W. Va., and will within a very short time be ready to move. We would much prefer that the service in which, those, who happen to be members of the State Guard, are called to take part to be short and not severe, but in the recent long, strenuous campaign is necessary. We all know that Tom Barbour will be on hand all the time, doing his duty. About the time that Tom was ordered to the armory, he received a telegram from Mr. L. C. Spangler of Newport News, Va., General Agent for the C. & O., offering him a fine promotion, with the C. & O. at that point, which he had to decline.

GETS LOWEST FINE

Mr. W. H. Farwick, who operates a soft drink stand on Market street was before Police Judge John L. Whitaker Tuesday afternoon on a charge of selling liquor in local option territory. Farwick said that he had a government license to sell whiskey hanging on the wall of his establishment, which made him liable to a fine. After hearing the evidence, Judge Whitaker fined him the lowest possible fine—\$25.00 which he promptly paid.

MRS. GREEN MEADOWS

Mrs. Green Meadows died at her home on East Front street Tuesday afternoon after an illness of consumption. Mrs. Meadows was 32 years of age. She was born in Lincoln county, W. Va. She leaves a husband and seven children, a mother, four sister and four brothers. The remains were taken to West Virginia this morning for burial.

CONTRACT LET

The contract for the erection of the new Day and Night garage has been let to Messrs. Harding and Simons of this city. Work will begin as soon as a permit for building can be gotten.

Miss Lida Ruth Tully has returned to her home at Helena after being the guest of her sister, Mrs. John Pendegast of this city. She also attended the High School commencement exercises.

Mr. Clarence Perkins, the popular mixologist of the F. H. Traxel Co., is spending a few days in Cincinnati.

Dr. and Mrs. W. H. Taulbee of East Second street left Tuesday on a short visit with relatives in Carlisle.

Salt Rising at Diener's today.

F. R. SPECK

The Eight Day Advance Man of the Redpath Chautauque is in This City to Begin the Advertising For the Chautauque.

That the Chautauque is but a week distant is brought to mind by the arrival of F. R. Speck, the 8-day advance man. He is to remain here until the program begins, and will distribute various forms of advertising relating to Chautauque attractions.

Mr. Speck, who has been with the Redpath Company for several seasons, brings with him one of the most extensive lines of Chautauque advertising that has ever been used on the circuit. The pennant ropes, automobile pennants and banners, Chautauque hats, window cards and lithographs are extremely attractive.

Again this season there is a special Chautauque paper known as "The Community Builder." Several hundred of these are to be distributed about the city. Another paper, "The Junior Chautauque" is to be circulated among the children.

With the many attractive announcements of Miss Alice Nielsen's coming, there should be no lack of interest in the appearance of this great prima donna. Her portraits have been distributed liberally in business houses of the city, and Mr. Speck states that other methods of announcing her concert will be used between now and the night when she is to close the Chautauque.

The Chautauque dates this year are June 29 to July 6.

THRESSES—All kinds and sizes to fit any reapture. Satisfaction guaranteed.

SHAKE UP YOUR BRAINS

Shake up your brains, brother, shake them up lively. Somewhere in the dark recesses of your cranium is an idea that would be of great value to your home community.

Let the idea out and pass it along for examination and dissemination and for possible use for the betterment of our people.

Any man of normal intelligence is full of good ideas, but few people care to exploit them before the public. And yet the exploitation of ideas is just what we need for the improvement of local conditions.

Step forward and tell us what you know or what you think. Much of it may not be utilized, but there may yet appear the one great opportunity for which this community is waiting. Do it now and your action may surprise your neighbors to such an extent that we may eventually get somewhere and do something.

"By their fruits ye shall know them." Down in North Carolina President Wilson made a plea for untainted Americanism. That was his attitude in words. In 1913 he took great pleasure in signing a low tariff act that gave foreign workmen an advantage in our market, with the result that sales of foreign made goods were vastly increased and sales of our own products decreased in still greater degree, for the buying power of our people had been cut off. The deeds speak louder than the words.

Caranza has issued an order making his two cent dollar worth ten cents. Evidently some American soldier took a copy of Conn's Financial School to Mexico with him.

Some people are so pestiferous one can hardly tell whether they are bugs or just plain nuts.

A successful blacksmith can either shoe a horse or make a horseshoe.

SECRETARY BAKER RECEIVES ANSWER FROM KENTUCKY GOVERNOR

Washington, June 19.—Secretary of War Baker today received the following telegram from Governor Stanley of Kentucky: "Reference your telegram June 18, ordering mobilization Kentucky National Guard. Attention will be given this matter."

Baltimore American: A Chicago financial writer discovers that most of the corporations in the west that have been reaping war profits are paying off debts before going very far in declaring dividends. This is the part of wisdom and shows that the boom spirit is not dominant to the degree that earlier seemed possible. It does not pay to lose sight of possible hazards of the future.

Washington, June 19.—E. T. Roberts, of Henderson, Ky., formerly a well-known tobacco dealer, now in the United States Commerce Department, with headquarters in this city, today sent the following telegram to President Wilson at Washington: D. C.

"Everybody in line; politics retired; no Mason and Dixon line; all making time ready for action. The public is tired of the noise and fighting of the Kilkenny cats over our neck fence, and, unless suppressed, the boys will tear down the fence, drive them into the sea and set the fence back."

All Work Guaranteed 10 Years

VENGEANCE OF CARRANZA FOLLOWERS IS FEARED BY MEXICAN LABORERS

Columbus, N. M., June 19.—More than 100 Mexicans employed by the United States army in rebuilding the major road from Columbus to the American field bases in Mexico quit work today and left camp for Palomas, eight miles south of the border, for interior points in Mexico.

They said they feared the vengeance of Carranza followers.

Handbills and pamphlets recently distributed among the laborers declared their patriotic duty to refrain from being employed by the Americans and urging them to leave the zones held by the American expeditionary command.

MEMBERS OF CONGRESS PERPLEXED

Washington, June 19.—President Wilson's call for the national guard for border duty renewed today a perplexing question as to the status under the new army reorganization act of members of Congress who also are members of the national guard. A House subcommittee named some weeks ago to study the question has not made its report.

Precedents, it was said today, fail to settle the situation clear. Representative Chipfield, who is Judge Advocate of the Illinois National Guard, expressed the opinion that a member of Congress, if ordered to the front should resign from Congress.

Speaker Clark recalled that General John A. Logan resigned from Congress to serve in the Civil War, but that General Blair's resignation from Congress was pocketed by President Lincoln and never was accepted. Joseph A. Wheeler, a Major General in the Spanish War, resumed his seat in Congress after the declaration of peace, but while serving with the colors drew pay as a member.

Senator Wadsworth is a Lieutenant in the New York National Guard, and in the absence of his Captain in Europe it was said today, would command Troop M. Representative Tilson is a Lieutenant in the Connecticut Guard; Representative Crago is a Lieutenant Colonel of the Tenth Pennsylvania, and Representative Nichols is a member of the South Carolina Guard.

PRAYERS FOR PEACE OFFERED IN CONGRESS

Washington, June 19.—Appeals to the Almighty to cause a peaceable settlement of the trouble with Mexico were voiced today by the Chaplains of both Houses of Congress.

Rev. J. Forrest Prettyman prayed in the Senate that "the time had not come when blood shall be shed."

In the House Rev. Henry N. Couden offered this petition:

"Our Heavenly Father, in whom the destiny of our Republic is involved, guide this nation and avert the crisis. We turn to Thee in the hour of distress, when war, with all its attendant evils, seems imminent. May all the difficulties with the people of Mexico be amicably adjusted without the shedding of blood. But if war must needs come we pray that we may be prepared to meet it with courage and fortitude."

MAYSVILLE'S Fifth Redpath CHAUTAUQUA

IS COMING

JUNE 29 TO JULY 6

No Sunday Program. One Solid Week of Enjoyment Including

First Day: Music Makers Quartet (vocal and instrumental), featuring the marimbaphone; brisk and unique musical program in the afternoon; prelude in the evening.

Dr. William A. Colledge, lecturer. Dr. Colledge spent three years exploring with Henry M. Stanley in Africa, and is nationally famed educator; boyhood friend of Robert Louis Stevenson.

Second Day: Maurer Sisters Orchestra, afternoon and evening preludes. Vocal and instrumental music, whistling and readings. This company recently completed a six weeks' tour of Panama.

Frank Dixon, in a straight-front-the-shoulder community lecture "Taking Stock of a Town." Mr. Dixon is a brother of Thomas Dixon, Jr., and of Dr. A. C. Dixon.

Everett Kemp, presenting Harold Bell Wright's great story of "That Printer of Udell's"; Kemp is widely known as "the man with the million-dollar laugh."

Third Day: Giuseppe Bartolotta, Italian tenor, in matinee recital. Bartolotta is a native of Naples, and has sung in concerts with such artists as Paderewski, Kubelik and Melba.

E. F. Daugherty in a popular afternoon lecture on "The Punch and Pull of Conscience."

William Owen and Company in Charles Rann Kennedy's great drama "The Servant in the House." Entire play presented in costume by a cast of capable performers.

Fourth Day: The University Boys, in a musical program of great variety and charm. Hawaiian instrumental music will be featured in the evening prelude.

Dr. James S. Kirtley, widely known as "the boys' man." Boys and girls, fathers and mothers will want to hear his vital and entertaining talk on "The Barefoot Kingdom."

Montraville Wood, assisted by his daughter, Miss Allene Wood, in a wonderful demonstration of the gyroscope, monorail car, ultra-violet ray and trailing torpedo.

Fifth Day: Pallaria's Band in two concerts—afternoon and evening. Francesco Pallaria began his musical career in Italian conservatories, and has directed his present organization in practically every American city of consequence. In his programs here he is to feature descriptive music.

Sixth Day: The American Girls, a company of six versatile and talented young women in a rousing and patriotic musical program; at night they are to appear in connection with the children's pageant.

Mother Goose Festival, a feature primarily for the children. Under the direction of the "story hour girl", nearly 100 local children are to take part, in costume.

Frederick W. Maurer, only American survivor of the Stefansson expedition, in his illustrated talk on "A Fight for Life in the Arctic," a lecture full of thrills.

Seventh Day: Thomas Brooks Fletcher, dramatic orator and an Ohio editor, in an afternoon lecture on a timely topic. Mr. Fletcher will entertain you and set you to thinking.

MISS ALICE NIELSEN, Prima Donna Soprano of the Metropolitan and Boston Opera Companies. Her evening concert is to be the Chautauqua's concluding feature. Miss Nielsen, frequently referred to as "The American Patti," is to be assisted by William Reddick, pianist, and Karl Kirk-Smith, cellist.

Single admission to all these entertainments, together with morning lectures and children's sessions, amounts to almost eight dollars (8.00), but season tickets may be bought now for two dollars (\$2.00) for adults and one dollar (\$1.00) for children. After the Chautauqua's opening they cannot be secured for less than \$2.50 and \$1.25 respectively.

HERE'S THE MORAL-BUY NOW!

MAYSVILLE'S CHAUTAUQUA JUNE 29 TO JULY 6

The total income of the people of the United States is about \$35,000,000,000 a year. Of this \$10,000,000,000 from manufactured articles.

The Taste Tells the Tale

No matter what anyone may claim for any food product, the true test after all is when you taste and know that it is good. No matter what we might say about our BREAD it avails nothing if you do not concur in our opinion. To make you a steady bread customer, all we ask is that you try our product and base your opinion upon the taste. And remember, it's made in a sanitary bakery.

TRAXEL'S
"The House of Quality"

The bureau of standards has found that better glass melting pots can be made of clay found in the United States than of clays imported from Germany, heretofore believed necessary.

Catarrah Cannot Be Cured with LOCAL APPLICATIONS, as they cannot reach the seat of the disease. Catarrah is a blood or constitutional disease, and in order to cure it you must take internal remedies. Hall's Catarrah Cure is taken internally, and acts directly upon the blood and mucous surface. Hall's Catarrah Cure is not a quack medicine. It was prescribed by one of the best physicians in this country for years and is a regular prescription. It is composed of the best tonics known, combined with the best blood purifiers, acting directly on the mucous surfaces. The perfect combination of the two ingredients is what produces such wonderful results in curing catarrah. Send for testimonials, free.

F. J. CHENEY & CO., Props., Toledo, O. Sold by Druggists, price 75c. Take Hall's Family Pills for constipation.

RECORD FOR TRANS-PACIFIC TRAVEL

Pekin, China, June 21.—The record for trans-Pacific travel from San Francisco to Pekin by the Southern route was lowered twenty-four when Corporal John Alexander and fourteen privates of the United States Marine Corps arrived here for duty with the American legation guard of Marines, after having been thirty-four days en route from San Francisco. The best previous record was thirty-five days and nine hours.

The party of United States Marines left San Francisco via an army transport, and at Guam, Marianna Islands, transhipped to the U. S. S. Brooklyn, which brought them directly to Shanghai. They came from Shanghai to Pekin by rail.

Try a want ad in The Ledger's classified column. It will bring results.

MRS. MAY'S LETTER to WOMEN

More Proof that Lydia E. Pinkham's Vegetable Compound Relieves Suffering.

Chicago, Ill.—"I suffered from a bad case of female trouble. Lydia E. Pinkham's Vegetable Compound was recommended and I took about six bottles. It fixed me up all right. The common symptoms of such a condition—pain when walking, irritation, bearing down, pains and backache, nervousness and disordered digestion—soon passed away. I look much better now than I did before, and I recommend the Compound every time for female troubles, as it did for me all it is claimed to do. You have my permission to publish this letter." Mrs. J. MAY, 3548 S. Lincoln St., Chicago, Ill.

If you have any of the symptoms mentioned in Mrs. May's letter, remember what Lydia E. Pinkham's Vegetable Compound did for her, and try it yourself. It is a good old-fashioned medicine, made from roots and herbs, and it has helped countless numbers of women. If you need special advice, write to Lydia E. Pinkham Medicine Co. (confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.

DON'T WANT THESE KIND

New York, N. Y.—William Hurry, 108 West 39th street, is a firm believer in preparedness insofar as it relates to the enlistment of his elder brother. He wrote to the United States Marine Corps recruiting station in this city that he has a "bigger brother who does not want to work unless someone takes him to a job," and that he is very anxious to have this elder brother join the Marine Corps to try it out as sort of a pioneer for the family. If the elder brother liked the service all right, William added in the letter, why then he, himself, might join the colors later on.

William neglected to state in his letter whether his elder brother's name is George, but the Marine Corps recruiting officers are making no effort to find out.

LOSSES IN MEXICO

(Army and Navy Journal)
Up to May 20 the expedition into Mexico has cost 359 lives, according to figures that were published on that date, including those lost in the Columbus, N. M., raid, which precipitated the pursuit of Villa and his bandits. The total casualties to May 20 show the following figures: Killed—United States soldiers, 30; civilians, 24; Mexican soldiers, 301. Wounded—United States soldiers, 6; soldiers, 76; civilians, 71; Mexican soldiers, 97. Of the American soldiers wounded, four who died of their wounds are carried in the wounded column, thereby increasing the list of killed or died from wounds to 34. Two are also carried in the wounded list, including one civilian who disappeared in the Glea Springs raid and one soldier at Parral, neither of whom has since been heard from.

Sunbeam the famous trout of Estes Park, Colorado, who was trained so that when a glass tube was lowered into water he would swim through it, and who has been admired by more than 500,000 tourists, has disappeared, leaving guides and other interested persons into gloom in inverse ratio to his illumination.

"Niagara Falls being out of date," says the Boston Transcript, "why don't the lovers spend their honeymoon at Miles, Idaho; Joy, Ky.; Delight, Kan.; or Paradise, Cal?" The reason is, of course that Higgins, Ark., and Klase Mills, Mo., are far more preferable.

It has been estimated that 84,000,000 cubic miles of the average igneous rock would yield, on decomposition, all the sodium of the ocean and the sedimentary rocks.

DON'T BE MISLED

Maysville Citizens Should Read and Heed This Advice

Kidney trouble is dangerous and often fatal. Don't experiment with something new and untried. Use a tested kidney remedy. Begin with Doan's Kidney Pills. Used in kidney troubles 50 years. Recommended here and everywhere.

A Maysville citizen's statement forms convincing proof.

It's local testimony—it can be investigated. Henry Callenstein, blacksmith, Poplar street, Maysville, says: "Doan's Kidney Pills are the best of kidney medicines. I have used different kinds and no other has ever equalled this one. When my kidneys were out of order and I had pain in my back, I heard of Doan's Kidney Pills and used them. They stopped the pains and my kidneys became strong. The cure has been permanent." Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that cured Mr. Callenstein. Foster-Milburn Co., Props., Buffalo, N. Y.

SUCCESSORS TO J. WESLEY LEE

MASON COUNTY TURNPIKES

(Continued from first page.)

the roadway. There has been no ditch-
ing done with the exception of proba-
bly 50 to 75 feet during the past 4
years upon this pike. There are few
strings of rock on the south end to-
wards the Lexington pike, that have
been laying there for quite awhile, but
if scattered, would certainly help the
road. I might say, the drainage is the
principal need of this road. The money
spent on it, last year, doing practical-
ly no good, whatever.

Leaving the Absalom road, I pro-
ceeded on the Lexington pike, north
to Maysville. This pike is a little
short of 15 miles, on account of the
city having taken over about 2-10 or
3-10, a number of years ago. On the
whole length of this pike, there are
two small strings of rock that were
put there last year, one of which
would fill a very bad place in the road,
at the same point if the necessary
labor could be produced. In the entire
length of this grand old road, there is
not a red cent being spent at the pre-
sent time, and unless some very strenu-
ous effort is put forth during the next
4 months, the old Lexington Turnpike
will be turned into a mud road instead
of the greatest thoroughfare in Mason
County. I think of the condition of
this road alone should awaken the
feelings of every citizen who passes
over it. In fact, it should fill every citi-
zen with indignation to know that a
turnpike costing \$3,000.00 a mile,
would be allowed to be turned into a
mud road. I have the same fault to
find with this road that I have with all
others that I have been over. The center
of the pike is the point of drainage,
and off-times, I notice where the water
finally gets off the road follows the
ditch to another point and gets back
into the center. From the top of the
hill between Benjamin Longnecker's
and Henry Pyles and also from Henry
Pyles to below William Poyles' gate,
the pike has become washed so badly
that within a short period it will al-
most be impossible to get over it. The
expense of getting the water off of
this road, would be very small, if done
in the proper way. One farmer in that
vicinity, Mr. C. C. Arthur, makes the
practice of plowing out the gutters
from his house to his barn on top of
the hill, in order to scour his plows,
and I want to say that this practice has
been a good thing, and if other farmers
in Mason County would follow this
same idea, he would scour his plows
very quickly in the spring and render
a great assistance to Mason County,
who seems to be getting in the pauper
flat, so far as the up-keep of her roads
is concerned.

When you strike the town of Wash-
ington, the water has been allowed to
run down from the Hill City pike in
the middle of the road until it gets off
its best it can. However, it might be
well to say, that during the past
spring, several rods of rock were
spread through the town. It is also
true, that quite a few rock have been
spread from Washington to Maysville,
this last spring, which were put on
the road during the year 1915, but the
wear during the winter was so great that
these rocks are going to amount to but
very little.

This discussion of Mason County
roads will be continued as the turn-
pikes of the County are gone over by
myself.

W. HOLTEN KEY.

TRIAL POSTPONED AGAIN

The trial of George Bradford
charged with shooting with intent to
kill was postponed until next Tuesday
afternoon. The attending physicians
reported that Meadows would be able
to appear against Bradford next Tues-
day and the trial was put off until
that time.

BRAMEL-LONG

Mr. Robert C. Long, 21, and Miss
Ada Bramel, 21, both of Orangeburg
were married in the County Clerk's
office Tuesday by County Judge W. H.
Rice.

Miss Evelyn Smith, who has been
attending school in Cincinnati is here
to spend the summer with her mother,
Mrs. Lilla Hall Smith of East Second
street.

Miss Nannie Trager, who has been
attending school at Caldwell College
at Danville, Ky. for the past winter,
is here for the summer.

Misses Lyle and Hattie Simpson of
East Second street are spending a few
days with friends in Cincinnati.

Mr. George Frederick has resigned
his position with the Model Treasury.

Strawberry Short Cake Suggestion

Appetizing—Delicious

Take one of Stone's Silver Slice
Cakes, split it lengthwise and fill with
full-ripe, luscious berries—the result
will be a revelation to you.
We have tried it and find that Silver
Slice lends itself perfectly for use
with any strawberry combination. The
flavor blends nicely and the contrast
of color is most pleasing and tempt-
ing.
